

# Employee of the Week

We are grateful every day for the work you do in providing our learners with exceptional learning experiences. In each of our schools, we also want to officially recognise this every week.

That is why we will reward the individual team member who has gone above and beyond in their role with an 'Employee of the Week' award and prize, and mention in our Company Newsletter - Friday Feedback.

Prizes may include things such as a voucher, chocolates, flowers, a plant or book.
